No. 1:23-CV-00131-JSR

DISTRIBUTION PLAN

I. OVERVIEW

1. This Distribution Plan (the “Plan”) was developed by the Securities and Exchange Commission (the “Commission” or “SEC”) in accordance with practices and procedures customary in Fair Fund administrations. This Plan provides for the distribution of a Fair Fund (the “Fair Fund”), comprised of disgorgement, prejudgment interest, and civil money penalties paid by Andrew DeFrancesco, Catherine DeFrancesco, Marlio Diaz Cardona, Nikola Faulkovic, Carlos Rezk in this proceeding.

2. As described more specifically below, the Plan seeks to compensate investors who were harmed by the Defendants’ conduct alleged in the Complaint, in connection with false and misleading statements and omissions in SEC filings and in a promotion campaign. As calculated using the methodology detailed in the Plan of Allocation (attached as Exhibit A), investors will be compensated based on their losses from purchasing or acquiring shares of Cool Holdings Inc. common stock (the “Security”) from September 16, 2018 through October 26, 2018, inclusive, (the “Relevant Period”).

3. The Commission has custody of the Fair Fund and shall retain control of the assets of the Fair Fund. The Court retains jurisdiction over its implementation.

II. BACKGROUND

4. On January 6, 2023, the SEC filed a Complaint against Andrew DeFrancesco (“DeFrancesco”), Marlio Mauricio Diaz Cardona (“Diaz”), Carlos Felipe Rezk (“Rezk”), Nikola Faulkovic (“Faulkovic”), and Catherine DeFrancesco (collectively, the “Defendants”). Compl., Dkt. No. 1. In the Complaint, the SEC alleged that beginning in March of 2018, Defendants DeFrancesco, Diaz, and Rezk, officers and directors of Cool Holdings, Inc. (“Cool Holdings”), orchestrated a fraudulent scheme to deceive the investing public about the operations and prospects of their company through repeated, materially false and misleading misstatements and omissions in SEC filings and in a promotion campaign. *Id.* ¶¶ 1-2. From March 2018 through early June 2019, Cool Holdings made materially false and misleading statements and omissions in its SEC filings including about its critical business relationship with Apple Inc. Certain Defendants signed Cool Holdings’ false and misleading quarterly reports, annual reports, and registration statement and amendments. The registration statement, which never became effective, sought to offer and sell up to \$25,000,000 worth of securities. *Id.* ¶ 3.

5. The Defendants also orchestrated a “pump and dump” of Cool Holdings’ stock which included secretly funding a series of fraudulent articles promoting Cool Holdings as a profitable and expanding company. The false news released during mid-September 2018 caused Cool Holdings’ share price and trading volume to spike during the week the articles were published and to remain elevated for a period of weeks after. *Id.* ¶ 4. During the promotional campaign, DeFrancesco secretly sold, through accounts controlled by nominee entities and nominally controlled by his ex-wife Catherine DeFrancesco, millions of shares of Cool Holdings

generating proceeds of more than \$11.5 million. *Id.* ¶¶ 5-7. Diaz, Faulkovic, and Rezk also sold Cool Holdings stock while the company was disseminating false and misleading information in its SEC filings. *Id.* ¶ 8. As a result of the false information published during the promotional campaign, investors overpaid for shares of Cool Holdings and suffered losses when the share price collapsed.

6. On June 15, 2023, the Court entered final judgments as to Catherine DeFrancesco and Faulkovic. Final J. Def. Catherine DeFrancesco, Dkt. No. 67; Final J. Def. Faulkovic, Dkt. No. 68. The Court found Catherine DeFrancesco liable for a civil penalty of \$122,782.00 and found Faulkovic liable for disgorgement of \$11,779.43, prejudgment interest of \$2,570.89, and a civil penalty of \$111,614.00 for a total of \$125,964.32. Dkt. No. 67 at p. 2; Dkt. No. 68 at p. 3. On July 5, 2023, the Court entered a final judgment as to Andrew DeFrancesco and ordered him liable for disgorgement of \$1,034,051.52, prejudgment interest of \$242,018.97, and a civil penalty of \$1,737,224.52 for a total of \$3,013,295.01. Final J. Def. Andrew DeFrancesco, Dkt. No. 72 at p. 6. On November 21, 2023, the Court entered final judgments as to Diaz and Rezk and ordered them each liable for a civil penalty of \$223,229. Final J. Def. Diaz, Dkt. No. 116 at p. 3; Final J. Def. Rezk, Dkt. No. 117 at p. 3.

7. On July 22, 2024, the Court entered an order establishing a Fair Fund, including post-judgment interest and any future funds collected from the Defendants in the Fair Fund, and appointing Heffler, Radetich & Saitta as tax administrator for the Fair Fund (“Tax Administrator”). Order Establishing Fair Fund, including Post-Judgment Interest in Fair Fund and Appointing Tax Administrator, Dkt. No. 137.

8. On February 20, 2025, the Court entered an order appointing Epiq Class Action and Claims Solutions, Inc as distribution agent for the Fair Fund (“Distribution Agent”). Order

Appointing a Distribution Agent for the Fair Fund. Dkt. No. 143.

9. The Commission holds \$2,283,537.34 collected from the Defendants pursuant to the Final Judgments. As of January 28, 2025, the Fair Fund balance is \$2,400,755.96. Any additional funds received pursuant to the Final Judgments in this matter will be added to the Fair Fund. addresses and for which the Distribution Agent has been unable to locate current addresses.

Filing a Claim

48. To avoid being barred from asserting a claim, on or before the Claims Bar Date, each Preliminary Claimant must submit to the Distribution Agent a properly completed Claim Form reflecting such Preliminary Claimant's claim, together with all required supporting documentation as the Distribution Agent, in its discretion, deems necessary or appropriate to substantiate the claim. Without limitation, this information may include third party documentary evidence of purchases and dispositions of the Security during the Relevant Period, as well as holdings of the Security at pertinent dates.

49. Electronic claims submission is encouraged; the Plan Notice will include instructions on how Preliminary Claimants can submit their claims electronically via the Fair Fund's website. If using the web-based claim filing option, a Preliminary Claimant must submit his, her, or its claim to the Distribution Agent by 11:59 p.m. EST on the Claims Bar Date. The Plan Notice will also include instructions for submission of claims if the Preliminary Claimant is unable to submit his, her, or its claim electronically.

50. The burden will be upon the Preliminary Claimant to ensure that his, her or its Claim Form has been properly and timely received by the Distribution Agent. A Claim Form that is postmarked or otherwise received after the Claims Bar Date will not be accepted unless the deadline is extended by the Distribution Agent for good cause shown, after consultation with the Commission staff.

51. All Claim Forms and supporting documentation necessary to determine a Preliminary Claimant's eligibility to receive a distribution from the Fair Fund under the terms of the Plan must be endorsed by a declaration executed by the Preliminary Claimant under penalty

of perjury under the laws of the United States. The declaration must be executed by the Preliminary Claimant, unless the Distribution Agent accepts such declaration from a Person authorized to act on the Preliminary Claimant's behalf, whose authority is supported by such documentary evidence as the Distribution Agent deems necessary.

52. When submitting claims to the Fair Fund on behalf of its clients, all Third Party Filers must use the electronic filing template provided by the Distribution Agent in this matter. Third Party Filers that do not comply with the template and format provided by the Distribution Agent may be rejected. Third Party Filers must also submit a signed master proof of claim and release, as well as proof of authority to file on behalf of the claimant(s) at the time the electronic file of transactions is submitted. Failure to do so may result in rejection of the claim.

53. Each Third Party Filer must establish the validity and amount of each claim in its submission. Third Party Filers must submit such supporting documentary evidence of purchases, dispositions, and holdings of the Security as the Distribution Agent deems necessary or appropriate to substantiate each individual claim. Without limitation, this includes the complete name of the Preliminary Claimant (beneficial account owner) and its TIN (for individuals) or EIN (for companies), sufficient contact information to confirm the identity of the beneficial owner, and documentation from the original bank, broker or other institution of purchases and dispositions of the Security (account statements, confirmations and other documentation of purchases and dispositions), as well as holdings of the Security on pertinent dates. The Distribution Agent will have the right to request, and the Third Party Filer will have the burden of providing to the Distribution Agent, any additional information and/or documentation deemed necessary by the Distribution Agent to substantiate the claim(s) contained in the submission. Documentation from a Third Party Filer that is not acceptable to the Distribution Agent will

result in rejection of the affected claim(s). The determination of the Distribution Agent to reject a claim for insufficient documentation, as reflected in the Determination Notice, is final and within the discretion of the Distribution Agent.

54. The receipt of the Security by gift, inheritance, devise, or operation of law will not be deemed to be a purchase of the Security, nor will it be deemed an assignment of any claim relating to the purchase of such Security unless specifically so provided in the instrument of inheritance. The recipient of the Security as a gift, inheritance, devise or by operation of law will be eligible to file a Claim Form and participate in the distribution of the Fair Fund to the extent the original purchaser would have been eligible under the terms of the Plan. Only one claim may be submitted with regard to the same transactions in the Security, and in cases where duplicative claims are filed by the donor and donee, the donee claim will be honored, assuming it is supported by proper documentation.

55. Claims on behalf of a retirement plan covered by Section 3(3) of ERISA, 29 U.S.C. § 1002(3), which do not include Individual Retirement Accounts and such plan's participants, are properly made by the administrator, custodian or fiduciary of the plan and not by the plan's participants. The Distribution Agent will distribute any payments on such claims directly to the administrator, custodian or fiduciary of the retirement plan. The custodian or fiduciary of the retirement plan will distribute any payments received in a manner consistent with its fiduciary duties and the governing account or plan provisions.

56. The Preliminary Claimant has the burden of notifying the Distribution Agent of a change in his, her or its current address and other contact information, and ensuring that such information is properly reflected on the Distribution Agent's records.

Review of Claims and Deficiency Process

57. The Distribution Agent will review all claim submissions and determine the eligibility of each Preliminary Claimant to participate in the Fair Fund by reviewing claim data and supporting documentation (or the lack thereof) and verifying the claim. Each Preliminary Claimant will have the burden of proof to establish the validity and amount of his, her or its claim. The Distribution Agent will have the right to request, and the Preliminary Claimant will have the burden of providing to the Distribution Agent, any additional information and/or documentation deemed relevant by the Distribution Agent.

58. The Distribution Agent will provide a Claim Status Notice within sixty (60) days of the Claims Bar Date to each Preliminary Claimant who has filed a deficient Claim Form with the Distribution Agent. The Claim Status Notice will provide to each Preliminary Claimant whose claim is deficient, in whole or in part, the reason(s) for the deficiency (e.g., failure to provide required information or documentation). In the event the claim is denied, in whole or in part, the Claim Status Notice will state the reason(s) for such denial. The Claim Status Notice will also notify the Preliminary Claimant of the opportunity to cure any deficiency, request reconsideration, or dispute the determination made by the Distribution Agent and provide instructions regarding what is required to do so.

59. Any Preliminary Claimant with a deficient claim will have thirty (30) days from the date of the Claim Status Notice to cure any deficiencies identified in the Claim Status Notice.

60. Any Preliminary Claimant seeking reconsideration of a denied claim must submit their request to the Distribution Agent in writing within thirty (30) days of the date of the Claim Status Notice. All requests for reconsideration must include the necessary documentation to substantiate the basis upon which the Preliminary Claimant is requesting reconsideration of his, her, or its claim.

61. The Distribution Agent will have the authority, in its sole discretion, to waive technical claim deficiencies and approve claims on a case-by-case basis, or in groups of claims. All determinations made by the Distribution Agent in accordance with the Plan in any dispute, request for reconsideration, or request to cure a deficient claim will be final and not subject to appeal.

Claims Eligibility Determination

62. Within one hundred fifty (150) days of the Claims Bar Date, the Distribution Agent will complete all claims determinations and send a Determination Notice to all Preliminary Claimants who timely submitted a Claim Form notifying the Preliminary Claimant of its eligibility determination. The Determination Notice will further provide to each Preliminary Claimant that is determined to be an Eligible Claimant with his, her, or its calculated Recognized Loss. The Determination Notice will constitute the Distribution Agent's final ruling regarding the eligibility status of the claim.

63. The Distribution Agent may consider disputes of an Eligible Claimant's Recognized Loss calculation if presented in writing to the Distribution Agent within thirty (30) days of the date of the Determination Notice. Within thirty (30) days of receiving an Eligible Claimant's dispute, the Distribution Agent will notify the Eligible Claimant, in writing, of its calculation of the Eligible Claimant's Recognized Loss after considering the dispute. This notice will constitute the Distribution Agent's final ruling regarding the loss calculations for the claim.

Distribution Methodology

64. Any Preliminary Claimant, who is not an Excluded Party, who submitted a valid Claim Form and has suffered a Recognized Loss, as calculated in accordance with the Plan of Allocation, will be deemed an Eligible Claimant.

65. No Distribution Payments will be made for less than \$20.00. If an Eligible Claimant's distribution amount calculates to less than \$20.00, in accordance with the Plan of Allocation, that Eligible Claimant will be deemed ineligible to receive a Distribution Payment and his, her, or its distribution amount will be reallocated on a *pro rata* basis to Eligible Claimants whose distribution amounts are greater than or equal to \$20.00. All Eligible Claimants whose Recognized Loss calculates to a distribution amount equal to or greater than \$20.00 will be deemed a Payee and receive a Distribution Payment.

Establishment of a Reserve

66. Before determining the amount of funds available for distribution and calculating each Payee's Distribution Payment, the Distribution Agent, in conjunction with the Tax Administrator, will establish a reserve to pay Administrative Costs and to accommodate any unexpected expenditures (the "Reserve").

67. After all disbursements and Administrative Costs are paid, any remaining amounts in the Reserve will become part of the Residual described in paragraph 92 below.

Preparation of the Payment File

68. Within seventy-five (75) days following the date of the Determination Notices described above, paragraph 62, the Distribution Agent will compile and send to the Commission staff the Payee information, including the name, address, calculated Recognized Loss, and the amount of the Distribution Payment for all Payees (the "Payee List"). The Distribution Agent will also provide a Declaration to the Commission staff, representing that the Payee List: (a) was compiled in accordance with the approved Plan; (b) is accurate as to Payees' names, addresses, Recognized Losses and amounts of their Distribution Payment; (c) includes the number of Payees compensated; (d) the percentage of the Payee's Recognized Loss being compensated by

the disbursement from the Fair Fund, and if applicable, the total percentage to include all prior disbursements; (e) the total amount of funds to be disbursed, and if applicable, includes the total amount of such funds to be withheld pursuant to paragraph 79; and (f) provides all information necessary to make a payment to each Payee.

The Escrow Account

69. Prior to the disbursement of funds from the Net Available Fair Fund, the Distribution Agent will establish an escrow account (the “Escrow Account”) with a United States commercial bank that is a well-capitalized financial institution as defined by the Federal Reserve Act, Subpart D, 12 C.F.R. § 208.43 and that is not unacceptable to the Commission staff (the “Bank”), pursuant to an escrow agreement (the “Escrow Agreement”) to be provided by Commission staff.

70. The Distribution Agent, pursuant to the Escrow Agreement, shall also establish with the Bank a separate deposit account (e.g., controlled distribution account, managed distribution account, linked checking and investment account) (the “Distribution Account”), insured by the Federal Deposit Insurance Corporation (“FDIC”) up to the guaranteed FDIC pass through limit. The Distribution Account shall be linked with the Escrow Account, and both shall be named, and records maintained, in accordance with the Escrow Agreement.

71. During the term of the Escrow Agreement, the portions of the Fair Fund transferred to the Escrow Account (the “Escrow Property”), shall be invested and reinvested in short-term U.S. Treasury securities backed by the full faith and credit of the United States Government or an agency thereof. The investment shall be, of a type and term necessary to meet the cash liquidity requirements for payments to Payees, tax obligations, and/or fees of the Tax Administrator and/or Distribution Agent, including investment or reinvestment in a bank account

insured by the FDIC up to the guaranteed FDIC limit, or in money market mutual funds registered under the Investment Company Act of 1940 that invest 100% of their assets in direct obligations of the United States Government.

72. The Distribution Agent shall provide duplicate original bank and/or investment statements on any accounts established by the Distribution Agent to the Tax Administrator on a monthly basis and shall assist the Tax Administrator in obtaining mid-cycle statements, as necessary.

73. The Distribution Agent shall deposit or invest funds in the Escrow and Distribution Accounts so as to result in the maximum reasonable net return, taking into account the safety of such deposits or investments. In consultation with Commission staff, the Distribution Agent shall work with the Bank on an ongoing basis to determine an allocation of funds between the Escrow and Distribution Account.

74. All interest, dividends, and/or income earned by the Escrow Property will accrue for the benefit of the Escrow Property. All Administrative Cost associated with the Escrow and Distribution Accounts will be the responsibility of the Distribution Agent, who may be reimbursed for said costs as provided in this Plan. No such Administrative Costs may be paid to the Bank, its agents, and/or its affiliates from the Escrow Property.

Distribution of the Fair Fund

75. The Distribution Agent will seek to distribute the Net Available Fair Fund to all Payees only after all Claim Forms have been processed and all Preliminary Claimants whose claims have been rejected or disallowed, in whole or in part, have been notified and provided the opportunity to contest or cure pursuant to the procedures set forth herein.

76. Upon the Commission's staff's receipt, review, and acceptance of the Payee List

and Declaration from the Distribution Agent, the Commission will petition the Court for authority to disburse funds from the Net Available Fair Fund to the Bank in accordance with the Payee List for distribution by the Distribution Agent in accordance with the Plan. The Payee List shall, upon request, be made available to the Court under seal. All disbursements will be made pursuant to a Court Order.

77. Upon issuance of an order to disburse by this Court, the Commission staff will direct the transfer of funds in accordance with the Payee List to the Bank. The Distribution Agent will then use its best efforts to commence mailing Distribution Payment checks and/or effect wire transfers within ten (10) business days of the release of the funds into the Escrow Account. All efforts will be coordinated to limit the time between the Escrow Account's receipt of the funds and the issuance of Distribution Payments.

78. All Distribution Payments will be issued by the Distribution Agent from the Distribution Account. All checks will bear a stale date of one hundred twenty (120) days from the date of issuance. Reissuance of a check must be requested before the stale date, and such request is governed by paragraph 86.

79. All Distribution Payments will be preceded or accompanied by a communication that includes, as appropriate: (a) a statement characterizing the distribution; (b) a statement that the tax treatment of the distribution is the responsibility of each Payee and that the Payee should consult his, her or its tax advisor for advice regarding the tax treatment of the distribution; however, any backup withholding required under IRC § 3406(a) and the regulations promulgated thereunder, or withholding required with respect to nonresident aliens ("NRAs") under Chapter 3 of the IRC, or FATCA-subject Payees under Chapter 4 of the IRC, will be withheld as required from the Distribution Payment and remitted to the Internal Revenue Service on the Payee's

behalf; (c) a statement that checks will be void and cannot be reissued after one hundred twenty (120) days from the date the original check was issued; and (d) contact information for the Distribution Agent for questions regarding the Distribution Payment. The letter or other mailings to Payees characterizing a Distribution Payment will be prepared by the Tax Administrator and provided to the Commission staff for review and approval.

80. All Distribution Payments, either on their face or in the accompanying mailing, will clearly indicate that the money is being distributed from the Fair Fund established by the Court to compensate investors for harm as a result of securities law violations.

81. Distribution Payments must be made by check or electronic payment payable to the Payee (the beneficial account owner). A Third Party Filer shall not be the payee of any Distribution Payment check or electronic Distribution Payment. Compensation to a Third Party Filer for its services may not be paid or deducted from the Distribution Payment.

82. The submission of a Claim Form and the receipt and acceptance of a Distribution Payment by a Payee is not a release of a Payee's rights and claims against any party.

83. Electronic or wire transfers may be utilized at the discretion of the Distribution Agent to transfer approved Distribution Payments to filers of claims on behalf of 20 or more Payees. Wire transfers will be initiated by the Distribution Agent using a two-party check and balance system, whereby completion of a wire transfer will require an authorization by two members of the Distribution Agent's senior staff.

84. At the discretion of the Distribution Agent, certain costs that were not factored into the Reserve, such as bank fees for the return of a payment, may reduce the Payee's Distribution Payment. In such situations, the Distribution Agent will immediately notify the Tax Administrator of the reduction in the Distribution Payment.

Post Distribution; Handling of Returned or Uncashed Checks; and Reissues

85. The Distribution Agent shall use its best efforts to make use of commercially available resources and other reasonably appropriate means to locate all Payees whose checks are returned to the Distribution Agent as “undeliverable.” If new address information becomes available, the Distribution Agent will repackage the distribution check and send it to the new address. If, within ninety (90) days after the initial mailing of the distribution check, new address information for the Payee is not available, or if the distribution check is returned again, the Distribution Agent will void the distribution check, and, in its discretion, may remove such Payee from the distribution and the allocated Distribution Payment will remain in the Fair Fund for distribution, if feasible, to the remaining Payees.

86. The Distribution Agent will reissue checks to Payees upon the receipt of a valid, written request from the Payee prior to the initial stale date. In cases where a Payee is unable to endorse a Distribution Payment check as written (e.g., name changes, IRA custodian changes, or recipient is deceased) and the Payee or a lawful representative requests the reissuance of a Distribution Payment check in a different name, the Distribution Agent will request, and must receive, documentation to support the requested change. The Distribution Agent will review the documentation to determine the authenticity and propriety of the change request. If, in the discretion of the Distribution Agent, such change request is properly documented, the Distribution Agent will issue an appropriately redrawn Distribution Payment to the requesting party. Reissued checks will be void at the later of one hundred twenty (120) days from issuance of the original check or thirty (30) days from the reissuance, and in no event will a check be reissued after one hundred twenty (120) days from the date of the original issuance without the approval of Commission staff.

87. The Distribution Agent will make reasonable efforts to contact Payees who have failed to negotiate their Distribution Payment check and take appropriate action to follow up on the status of uncashed checks at the request of Commission staff. The Distribution Agent may reissue such checks subject to the time limits detailed herein. If a Distribution Payment remains uncashed after the stale date the Distribution Agent will instruct the Bank to issue a stop payment on the check. The Distribution Agent, in its discretion, may remove such Payee from the distribution, and the allocated Distribution Payment will remain in the Fair Fund for distribution, if feasible, to the remaining Payees.

Administrative Costs

88. The Distribution Agent will be entitled to reasonable administrative fees and expenses in connection with the administration and distribution of the Fair Fund (including any such fees and expenses incurred by agents, consultants or third parties retained by the Distribution Agent in furtherance of its duties), which shall be paid from the Fair Fund. The Distribution Agent will invoice all fees and expenses for the administration and distribution of the Fair Fund on a quarterly basis directly to Commission staff for submission to the Court for approval and for payment from the Fair Fund.

89. Pursuant to the Court's Order entered on July 22, 2024, the Tax Administrator will invoice all taxes and fees and expenses for the administration of the Fair Fund directly to Commission staff for submission to the Court for approval and for payment from the Fair Fund.

90. All Administrative Costs shall be paid from the Fair Fund, pursuant to a Court Order and shall be reflected in the final accounting referenced below.

Disposition of Undistributed Funds

91. If funds remain following the initial distribution, the Distribution Agent, in

consultation with the Commission staff, may seek subsequent distribution(s) of any remaining funds. All subsequent distributions shall be made in a manner that is consistent with this Plan and pursuant to the Court's order.

92. A residual will be established for any amounts remaining after the final disbursement to Payees from the Fair Fund and the payment of all Administrative Costs (the "Residual"). The Residual may include funds from, among other things, amounts remaining the Reserve, distribution checks that have not been cashed, checks or electronic payments that were not delivered or were returned to the Commission, and tax refunds received due to the Fair Fund's overpayment of taxes or for waiver of IRS penalties.

93. Once the Distribution Agent, in consultation with the Commission staff, deems further distribution of the Fair Fund to investors infeasible, the Distribution Agent will direct the Bank to stop payment on all any uncashed distribution payments, and return any funds remaining in the Escrow and Deposit Accounts to the Commission to become part of the Residual.

94. All funds remaining in the Residual that are infeasible to distribute to investors will be held by the Commission pending a final accounting. Upon completion of the final accounting, the SEC staff will file a motion with this Court to approve the final accounting, which will include a recommendation as to the final disposition of the Residual, consistent with Sections 21(d)(3), (5), and (7) and *Liu v. SEC*, 140 S. Ct. 1936 (2020).¹ If distribution of the Residual to investors is infeasible, the SEC staff may recommend the transfer of the Residual to the general fund of the U.S. Treasury subject to Section 21F(g)(3) of the Exchange Act.²

¹ 15 U.S.C. § 78u(d)(3), (5), and (7). Section 21(d)(7) was added to the Exchange Act by Section 6501(a) of the National Defense Authorization Act for Fiscal Year 2021, Pub. L. No. 116-283, enacted January 1, 2021. The relevant provisions of the NDAA apply "to any action or proceeding that is pending on, or commenced on or after, the date of" the NDAA's enactment. ² Section 21F(g)(3) of the Exchange Act, 15 U.S.C. § 78u-6(g)(3), provides, in relevant part, that any monetary sanction of \$200 million or less collected by the SEC in any judicial action brought by the SEC under the securities

Filing of Reports and Accountings

95. The Distribution Agent shall file with the Court and provide to Commission staff, a progress report, pursuant to and in a format to be provided by Commission staff, within forty five (45) days of Court approval of this Plan, and shall file with the Court and provide to the Commission staff additional progress reports within twenty (20) days after the end of every quarter thereafter.

96. The progress reports shall inform the Court and the Commission staff of the activities and status of Fair Fund during the relevant reporting period, and once funds are transferred to the Bank it will specify, at a minimum: (a) the location of the account(s) comprising the Fair Fund; and (b) an interim accounting of all monies in the Fair Fund as of the most recent month-end, including the value of the account(s), all monies earned or received into the account(s), funds distributed to Payees, and any monies expended from the Fair Fund to satisfy any fees, costs, taxes and other expenses incurred in the implementation of this Plan.

97. Upon completion of all distributions to Payees and payment of all Administrative Costs, pursuant to the procedures described above, the Distribution Agent will submit to the Commission staff a final accounting, on a standardized form provided by the Commission staff. The Distribution Agent will also submit a report to the Commission staff containing the final distribution statistics regarding distributions to individuals and entities, and such other information requested by the Commission staff.

Receipt of Additional Funds

98. Should any additional funds be received pursuant to Commission or Court order, agreement, or otherwise, prior to the Court's termination of the Fair Fund, such funds will be

laws that is not added to a disgorgement fund or Distribution Fund or otherwise distributed to victims, plus investment income, shall be deposited or credited into the SEC Investor Protection Fund.

added to the Fair Fund and distributed, if feasible, in accordance with the Plan.

Wind-down and Document Retention

99. The Distribution Agent will shut down the website, P.O. Box and customer service telephone line(s) established specifically for the administration of the Fair Fund 6 months after the transfer of any remaining funds to the Commission, or at such earlier time as the Distribution Agent determines with the concurrence of the Commission staff.

100. The Distribution Agent will retain all materials submitted by Preliminary Claimants in either paper or electronic form for a period of 6 years from the date of approval of a final fund accounting. Materials maintained in electronic form must be accessible and readable for the duration of retention. Upon expiration of this period, and pursuant to the Commission staff's direction, the Distribution Agent will either turn over to the Commission or destroy all materials, including documents in any media.

Termination of the Fair Fund

101. Once the Commission staff has reviewed and accepted the final accounting, the Commission will petition the Court for an order, as appropriate, approving the final accounting, discharging the Distribution Agent, disposing of the Residual, and terminating the Fair Fund.

102. The Fair Fund will be eligible for termination and the Distribution Agent will be eligible for discharge after all of the following have occurred (a) a final accounting, in a standard accounting format provided by the Commission staff, has been submitted by the Distribution Agent and approved by the Court; (b) all Administrative Costs have been paid; and (c) the Court has approved the Commission's recommendation as to the final disposition of the Residual consistent with *Liu v. SEC*, 140 S. Ct. 1936 (2020) and Sections 21(d)(3), (5), and (7) of the

Exchange Act, 15 U.S.C. § 78u(d)(3), (5), and (7).³

103. Once the Fair Fund has been terminated, no additional payments will be made whatsoever.

Exhibit A

PLAN OF ALLOCATION

This Plan of Allocation¹ is designed to compensate investors based on their losses from purchasing shares of Cool Holdings Inc. common stock (the “Security”) from September 16, 2018 through October 26, 2018,² both dates inclusive, (the “Relevant Period”) due to the misconduct of the Defendants. Investors who did not purchase/acquire shares of the Security during the Relevant Period, or who are an Excluded Party, are ineligible to recover under this Plan.

I. The Methodology

The Fund Administrator will calculate the amount of loss for each share of the Security purchased or acquired during the Relevant Period (“Recognized Loss per Share”) as follows:

For each share of the Security purchased or acquired between September 16, 2018 and October 26, 2018, inclusive, and

- A. Sold prior to the close of trading on October 26, 2018, the Recognized Loss per Share is the purchase price *minus* the sale price.
- B. Sold after October 26, 2018, and prior to the close of trading on January 25, 2019 (*i.e.*, during the “Lookback Period”), the Recognized Loss per Share is the purchase price *minus* the sale price.
- C. Held as of the close of trading on January 25, 2019, the last day of the Lookback Period, the Recognized Loss per Share is the purchase/acquisition price *minus* \$2.51, the average closing price of the Security during the Lookback Period.

If the Recognized Loss per Share calculates to a negative number, reflecting a gain, the Recognized Loss per Share will be \$0.00.

All prices mentioned in the calculations exclude all taxes, fees and commissions. Purchases/acquisitions and sales shall be deemed to have occurred on the “contract” or “trade” date as opposed to the “settlement” or “payment” date.

II. Additional Provisions

- A. FIFO Methodology

Multiple purchases/acquisitions and sales of Security during the Relevant Period will be matched according to the first-in, first-out (“FIFO”) method. The earliest sales during the Relevant

¹ All capitalized terms used herein but not defined shall have the same meanings ascribed to them in the Plan.

² Because there is no corrective disclosure, we approximate the date the promotional campaign stopped affecting the share price as the first day Cool Holdings’ share price closed at or below \$4.00, its average price during the 90 days before the promotional events began. Monday, October 29, 2018, is that date. Therefore, the last date the promotional campaign affected the share price was Friday, October 26, 2018.

Period will be matched first against any holdings at the opening of the Relevant Period. Once the beginning holdings all have been matched, or in the event that there are no beginning holdings, then any further sales will be matched against the earliest Relevant Period purchases/acquisitions and chronologically thereafter.

B. Acquisitions

The receipt or grant of the Security by gift, devise, inheritance, or operation of law during the Relevant Period is not considered an eligible purchase if the original purchase did not occur during the Relevant Period. Shares acquired outside the Relevant Period will be excluded from the calculation of the Recognized Loss.

C. Options and Derivatives

Cool Holdings, Inc. common stock is the only security eligible for recovery under this Plan. Option contracts to purchase or sell the Security are not eligible for recovery under the Plan. With respect to the Security purchased or sold through the exercise of an option, the purchase/sale date is the options' exercise or assignment date, and the purchase/sale price is the option's strike price at the time of exercise or assignment. Transactions in the Security during the Relevant Period that are pursuant to, or in connection with, a swap or another derivative will not be eligible for a recovery and will be excluded from the calculation of the Recognized Loss.

D. Short Sales

Shares purchased during the Relevant Period to cover short positions held at the beginning of the Relevant Period or to cover short positions opened during the Relevant Period will have a Recognized Loss per Share of \$0.00. The date of a "short sale" is deemed to be the date of sale of the Security and the date of covering a short sale is deemed to be the date of purchase of the Security. The earliest Relevant Period purchases will be matched against any short position existing at the opening of the Relevant Period until that short position is fully covered.

III. Calculating Recognized Loss

Recognized Loss will be the sum of the Recognized Loss per Share, as calculated above, on all shares of the Security purchased or acquired during the Relevant Period. If the Recognized Loss calculates to a negative number, reflecting a gain, then the Recognized Loss will be \$0.00.

Recognized Loss may be limited to actual market loss. If a Preliminary Claimant's actual market loss on shares of the Security purchased/acquired during the Relevant Period is less than his, her or its Recognized Loss, then the Recognized Loss shall be limited to the actual market loss amount. If the actual market loss calculates to a gain, then the Recognized Loss will be \$0.00.

The actual market loss will be calculated as (a) the total purchase amount for shares of the Security purchased/acquired during the Relevant Period,³ less the sum of (b) the sales proceeds from

³ Purchases during the Relevant Period to cover short positions will be included in the calculation of actual market loss if the purchase is matched to a short sale during the Relevant Period. Purchases/acquisitions that are not eligible for recovery will not be considered for purposes of calculating the actual market loss.

shares of the Security purchased/acquired during the Relevant Period and sold during the Relevant Period or during the Lookback Period,⁴ and (c) the holding value on the remaining of those shares purchased during the Relevant Period, which for the purposes of this calculation will be \$2.51 per share, average closing price of the Security during the Lookback Period.⁵

IV. Becoming An Eligible Claimant

A Preliminary Claimant, who is not an Excluded Party, who submits a valid Claim Form and has suffered a Recognized Loss, as calculated above, will be deemed an Eligible Claimant.

V. Allocation of Funds

If the Net Available Distribution Fund is equal to or exceeds the sum of Recognized Losses of all Eligible Claimants, each Eligible Claimant's distribution amount will equal his, her, or its Recognized Loss, *plus* any "Reasonable Interest" awarded. If the Net Available Distribution Fund is less than the sum of the Recognized Losses of all Eligible Claimants, each Eligible Claimant's distribution amount will equal his, her or its "*Pro Rata Percentage*" of the Net Available Distribution Fund. In either case, the distribution amount will be subject to the "Offset for Prior Recovery" and "Minimum Distribution Amount."

A. Calculating an Eligible Claimant's *Pro Rata Percentage*

This computation is intended to measure Eligible Claimants' Recognized Losses against one another. Each Eligible Claimant's *Pro Rata Percentage* will be calculated for each Eligible Claimant as the ratio of his, her, or its Recognized Loss to the sum of Recognized Losses of all Eligible Claimants.

B. Offset for Prior Recovery

To avoid payment of a windfall, an Eligible Claimant's distribution amount will be no larger than his, her, or its Recognized Loss *minus* the amount of any compensation for the loss that resulted from the conduct described in the Order that was received from another source (e.g., class action settlement), to the extent known by the Fund Administrator ("Prior Recovery"), *plus* any Reasonable Interest awarded. That is, the distribution amount will be capped at the Recognized Loss *less* the Prior Recovery, *plus* any Reasonable Interest awarded.

C. Reasonable Interest

If the Net Available Distribution Fund exceeds the amount necessary to pay all Eligible Claimants their Recognized Loss (*minus* any Prior Recovery) in full, the Fund Administrator, in consultation with the Commission staff, may include interest in the distribution amount to compensate for the time value of money. Reasonable Interest will be calculated using the Short-term

⁴ Sales of the Security during the Relevant Period will be matched first against the opening position and the proceeds of such sales will not be considered for purposes of calculating the actual market loss. Short sales will be considered for purposes of calculating the actual market loss.

⁵ Any open short positions at the end of the Lookback Period will be ignored for purposes of calculating the actual market loss.

Applicable Federal Rate plus three percent (3%), compounded quarterly from the end of the Relevant Period through the approximate date of the disbursement of the funds. If there are insufficient funds to pay Reasonable Interest in full to all Eligible Claimants, Reasonable Interest will awarded on a *pro rata* basis from the excess funds.

D. Minimum Distribution Amount

The Minimum Distribution Amount will be \$20.00. An Eligible Claimant whose distribution amount is less than the Minimum Distribution Amount will be deemed ineligible and his, her, or its distribution amount may be reallocated on a *pro rata* basis to Eligible Claimants whose distribution amounts are greater than or equal to the Minimum Distribution Amount.

E. Payee and Distribution Payment

An Eligible Claimant whose distribution amount equals or exceeds the Minimum Distribution Amount will be deemed a Payee, and will receive a Distribution Payment equal to his, her, or its calculated distribution amount.
